SUMMARY PLAN INFORMATION FOR THE PLAN YEAR JULY 1, 2022 - JUNE 30, 2023

NORTHWEST IRONWORKERS RETIREMENT PLAN

EIN: 91-6123688

Plan Number 001

This notice is intended to provide a summary of plan information to participating employers and employee representatives of the Northwest Ironworkers Retirement Plan (“Plan”). This notice is required to be provided by Section 104(d) of the Employee Retirement Income Security Act (“ERISA”). It summarizes information for the July 1, 2022 through June 30, 2023 Plan Year (hereafter, “2023 Plan Year”).

Description of the Plan’s Contribution Schedule and Benefit Formulas

Contributions to the Plan are made monthly by employers pursuant to the terms of the collective bargaining agreements and special agreements (for non-bargaining employees).

Accrued benefits are based upon a percentage of contributions made or required on behalf of the individual participant during the Plan Year, subject to a maximum hourly contribution rate recognized in the accrual rate formula. The accrued benefit and the maximum contribution rate recognized in the accrual rate formula is shown in the schedule below, under the subheading, “Amounts Dedicated to Funding and Accrual.”

Participants with at least five Years of Service accumulated without a Permanent Break in Service are generally eligible for Early Retirement beginning at age 55, and for Normal Retirement at age 65, provided that after June 30, 1998 the participant earned one or more Hours of Service in Covered Employment while a participant. Participants who do not qualify under this rule must generally earn 10 Years of Service to receive Early or Normal Retirement benefits.

The Plan also provides a Service Pension, Disability Retirement, and Pre-Retirement death benefit for participants who qualify.

The accrued benefit for unmarried participants is paid as a life annuity with 60 monthly payments guaranteed. For married participants, the accrued benefit is paid as a 50% joint and survivor option. Participants, with the consent of their spouse (if applicable), may also elect an optional form of payment.

Modifications made to the contribution schedule and modifications to the accrual formula during the 2016 Plan Year are included below, under the subheadings “Benefit Structure” and “Amounts Dedicated to Funding and Accrual.”

For a full description of the benefit formulas, please refer to the Plan Document.
