NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see www.kp.org/plandocuments or call

| Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall <u>deductible</u> ?                            | \$200 Individual / \$600 Family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount<br>before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family<br>member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u><br>expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your <u>deductible?</u> | Yes. <u>Preventive care</u> and services indicated in chart starting on page 2.                                 | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers<br>certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> .<br>See a list of covered <u>preventive services</u> at<br><u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other<br>deductibles for specific services?              | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?      | \$3,000 Individual / \$9,000 Family   | The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> limit has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?           | Premiums, health care this <u>plan</u><br>doesn't cover, and services indicated<br>in chart starting on page 2. | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?           | Yes. See <u>www.kp.org</u> or call 1-800-<br>813-2000 (TTY: 711) for a list of<br>Participating Providers.      | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
